To Whom It May Concern,

I am writing to express my gratitude and commendation for the outstanding services provided by the Chambers Advisory Group during their recent engagement with Behavioral Health Network. As the Director of Infrastructure and Technical Services, I had the pleasure of overseeing their work, and I am pleased to provide this letter of reference on their behalf.

Chambers Advisory Group, as a subject matter expert in the telephony field with decades of experience, has proven to be an invaluable asset to our organization. Their expertise in the area of voice and data services has significantly impacted our operations in a positive way. During their time with us, they were instrumental in documenting our inventory of voice and data services, providing us with a comprehensive understanding of our infrastructure.

Moreover, their keen insights and diligent efforts led to the identification of numerous services that were no longer in use, resulting in substantial cost savings for our organization. This demonstration of their commitment to maximizing efficiency and reducing unnecessary expenditures speaks volumes about their dedication to their clients.

In addition to their work in auditing our services, the Chambers Advisory Group played a pivotal role in streamlining our procurement process. Their guidance and strategic recommendations have undoubtedly contributed to a more efficient and effective workflow within our organization.

Overall, the Chambers Advisory Group's professionalism, expertise, and commitment to excellence have made a lasting impact on our organization. I have no hesitation in recommending their services to any organization in need of a thorough and efficient assessment of their telecommunications infrastructure.

Should you require any further information or details regarding their exceptional performance, please do not hesitate to contact me at [john.colantino@bhninc.org](mailto:john.colantino@bhninc.org).

Sincerely,

A handwritten signature in black ink, appearing to read 'John Colantino', is written over a horizontal line. The signature is fluid and cursive.

John Colantino

Director of Infrastructure and Technical Services  
Behavioral Health Network
